

REMARKS

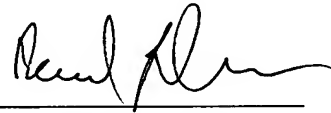

By this amendment, the informalities in amended claim 1 have been corrected. Therefore, the rejection of this claim under 35 USC 112 is believed to be overcome.

Claims 2-3, 6-7, 9, 18-20 and 23-24 have been cancelled.

The subject matter of claim 3 has been incorporated into claim 1. Claims 6, 7 and 9 have been combined with amended claim 1 and respectively rewritten as new claims 25, 26, and 27. These claims contain allowable subject matter as indicated by the Examiner. Claim 10 now depends from claim 27.

It is believed this application is now in condition for allowance, the notice of which is respectfully requested. The Examiner is asked to call the undersigned if there are any problems with this amendment.

Respectfully submitted,
